Mr. Schrock received a telephone call from a resident on Warner Street remarking about how dark the intersection of Warner and North Cleveland is at night. He would like to see a street light installed on the west end of Warner especially since a car is parked at night and there are two telephone poles on the end of Warner for lights. Also, Mr. Schrock received a request from a resident to rename Curtis Street from Fenton Ave. to S. Cleveland to Wildcat Way. Mayor Rick said that the process to change a street name is complicated.
