COMMENTS from Council: Mr. Tonsic mentioned a few street names that do not offer bus service to kids in the school district and asked if Council could ask residents to clear sidewalks to make the commute easier for the kids. We will discuss this further at the work session next week.

Mr. R. Schrock commended the street department for doing a great job plowing. Mayor Rick commented that the street department always does a great job.

Mr. M. Raddish stated he was very skeptical about putting the 1993 International dump truck on GovDeals, but it worked out and thanked council member Chris Yoho for being so persistent.

COMMENTS from the Clerk-Treasurer: No comments.

COMMENTS from the Village Engineer: Matt Glass said work on Sunrise is on hold right now due to the weather but will continue once the weather breaks. Also, our preliminary score for the Herbert Street application scored 113. That is the same score as our application had from last year.

COMMENTS from the Mayor: Mayor Rick mentioned every Tuesday at noon, anyone that is sixty-five years of age or has underlying medical conditions that the Governor has released, can call the number on the Summit County Health Department website to get vaccinated. It's hard to get through since a lot of people are calling at the same time.

Meeting adjourned at 5:43 p.m.
