Council President Mr. M. Raddish asked what brought on this Change Order. Village Engineer Matt Glass stated this is a second Change Order and apologized he did not have a contingency in the original legislation to start with. This Change Order is for gravel and weed guard for an additional amount of \$445.00. They prefer to have stone between the pad and corner instead of putting mulch when doing these projects.

Vote. Unanimous ayes. Motion carried.

COMMENTS from the Public: Jon Mencer, 242 S. Cleveland Avenue, stated he received three spam calls in the past two days posing as Amazing. Informing Council so everyone can be aware of these scams.

COMMENTS from Council: Council President Mr. M. Raddish stated there has been a lot of confusion with residents setting out their Kimble recycling carts. Reminded everyone recycling starts next Tuesday, April 13, and every other week moving forward.

Ms. K. Miller asked if Republic Services is still picking up trash carts because they have not yet come to pick up her carts yet. Mayor Rick informed Kathy she must call Republic Services to have her carts picked up, the Village does not handle that.

COMMENTS from the Village Engineer: Matt Glass thanked Council for taking care of the Change Order and apologized for the lack of contingency in the project. Sunrise project is doing well and moving along. Still no update on the Herbert and Fenton award of funds, and he is not concerned that it will not be awarded.

COMMENTS from the Clerk-Treasurer: Scott Varney stated he emailed an updated PO for Change Order to Matt Glass.

COMMENTS from the Mayor: Mayor Rick notified Council that all residents involved in the vacating of the Village right-of-way by the grade school agree. Mayor Rick indicated they will talk more about this at the next work session.
