COMMENTS from the Public: Tracey Wagner, 3773 Prospect, asked Council again to change the time of the Council meetings back to 7:30 PM.

Council President Raddish stated he took the vote of the council at the beginning of the year, and five members said they would like the meetings at 5:30 pm, and one member said he did not care. So, at this time the meetings will stay at 5:30 PM.

Wagner indicated that the Charter states that Council meetings are to be held at 7:30 pm.

Law Director Marshal Pitchford stated that the Charter does not specifically state that Council meetings have to be held at 7:30 pm. Pitchford stated that Council can set the times of their meetings by its ordinances, resolutions, or rules.

Wagner stated that the information she obtained off the Village website showed that the meetings were supposed to start at 7:30 pm.

Mayor Rick stated he will have Law Director Marshal Pitchford look into it to see what needs to be done regarding the starting time.

Jacqueline Tycast, 3767 Prospect Street, asked if the residents will have any input on the new playground equipment?

Mayor Rick stated there is a park and recreation meeting on May 2nd that includes six residents, Councilman McDowall, and the Mayor.

Tycast stated she has had other parents in the community asking her about it and would like to know if they could put share their input with the committee on what they think?

Mayor Rick stated the other residents can email us with what kind of playground equipment they would like to see down at the park and send the information to Rachel Osborne's email that is listed on the Mogadore's webpage. Mayor Rick also stated residents are permitted to attend the Parks meeting on May 2nd and give their input.

Noris Hale, 204 S Cleveland Avenue, thanked Mayor Rick for installing the live stream so residents who can not attend can watch too.
