2022 Chip and Seal Repairs Construction Bid Award Recommendation

Dear Mayor Rick,

GPD has reviewed the bids for the above referenced project.

The low bidder for the 2022 Chip and Seal Repairs project is Geauga Highway Company. A review of their itemized bid does not show any front-loading or unbalanced items. Geauga Highway has included all the signed documents required with the proposal as listed in the bid package. Geauga Highway has previously performed satisfactory work in and for municipalities in the Summit County and Portage County area. The Contractor was not found to be on the State's list for Unresolved Findings for Recovery.

After completing the review process, Geauga Highway's proposal for a project total of \$176,445.00 is the lowest and best bid. The opinion of probable cost for the project was \$169,130.00. The bid is within 10 percent of the opinion of probable cost. **GPD recommends entering a contract with Geauga Highway Company for the bid amount of \$176,445.00 for the 2022 Chip and Seal Repairs.**

After passing legislation to award the contract, two copies of the Notice of Award and Contract should be sent to Geauga Highway for them to execute and return to the Village. The original bid packages will be returned to the Village and a bid tabulation has been provided for Village records.

Sincerely,
GPD Group
