Sunrise East Blvd/West Ave/Pearl Ave Infrastructure Improvements Construction Bid Award Recommendation

Dear Mayor Rick,

GPD has reviewed the bids for the above referenced project.

The low bidder for the Sunrise East Blvd., West Ave., and Pearl Ave. Infrastructure Improvements project is Cementech, Incorporated. A review of their itemized bid does not show any front-loading or unbalanced items. Cementech has included all the signed documents required with the proposal as listed in the bid package. Cementech has previously performed satisfactory work in and for the Village of Mogadore. The Contractor was not found to be on the State's list for Unresolved Findings for Recovery.

After completing the review process, Cementech's proposal for a project total of \$1,658,660.70 is the lowest and best bid. The Opinion of probable cost for the project was \$1,762,189.80. Therefore, adequate funds were included in the OPWC funding request and planned for by the Village. **GPD recommends entering a contract with Cementech Incorporated for the bid amount of \$1,658,660.70 for the Sunrise East Blvd., West Ave., and Pearl Ave. Infrastructure Improvements Project.**

After passing legislation to award the contract, two copies of the Notice of Award and Contract should be sent to Cementech for them to execute and return to the Village. The original bid packages will be returned to the Village and a bid tabulation has been provided for Village records.

Sincerely,
GPD Group
