I. INTRODUCTION

A. Purpose and Coverage

The purpose of this Employee Handbook is to set forth personnel policies for the full-time employees of the Village of Mogadore Fire Department. Many of the rights and responsibilities outlined in this Handbook are based on provisions contained in the Villages' Codified Ordinances, Village's Charter and the Ohio Revised Code. When a direct conflict exists between Federal, State, and local law and these policies, Federal, State, and local laws prevail.

The Village cannot foresee all personnel issues and concerns that may arise. The Village of Mogadore reserves the right to revise, modify, amend, or delete any policy, procedure, benefit, or regulation when necessary. An amendment affects only the specific policy it modifies and does not affect the enforceability of the remainder of this Employee Handbook.

Words contained within the Employee Handbook, whether in the masculine or feminine gender, shall be construed to include both genders. The use of the masculine or feminine gender is for convenience only and is not to be construed as discriminatory by reason of sex.

Employees are expected to read, understand, and comply with the guidelines set forth in this handbook. Upon completion, the Employee shall sign the Acknowledgement, attached as Exhibit B, and provide it to the Fire Chief.

In accordance with the FAIR HIRING ACT, the Village has the power to hire, compensate, discipline and discharge employees. The Village adheres to the doctrine of employment "at will", for all employees, unless or except as otherwise modified by applicable statute. Employment with the Village is not offered, contracted, or promised for any specific length of time. Employees voluntarily enter into the employment relationship and are free to terminate their employment at any time – with or without reason. Just as employees are free to terminate their employment at any time with or without a reason, the Village reserves the same right, on the same basis, to terminate their employment.

THE PROVISIONS OF THIS HANDBOOK ARE NOT TO BE INTERPRETED AS A PROMISE OF CONTINUED EMPLOYMENT, A GUARANTEE OF INSTITUTIONAL DUE PROCESS, OR A COMMITMENT TO EXISTING OR PREVAILING COMPENSATION. THE POLICIES ARE SUBJECT TO CHANGE AT THE DISCRETION OF THE MAYOR AND COUNCIL.

B. Effective Date of this Handbook

This handbook replaces all prior effective human resource policies, practices, verbal communications, and written memos that may have been issued on the subjects herein.

C. Equal Employment Opportunity

The Village of Mogadore Fire Department is an equal opportunity employer. It is the Village's policy to make all employment decisions without regard to a person's creed, political affiliation, race, color, religion, national origin, disability, age, gender, military veteran or disabled veteran, and all other categories protected by Federal and state laws. No appointing authority, supervisor or other employee may discriminate against a person with respect to the terms and conditions of employment.

All full-time fire department employees shall be treated fairly and equitably based on the person's merit, fitness, and occupational qualifications.

The "Complaints," "Retaliation," and "False Complaints" sections of the Village Harassment Free workplace policy set forth below shall apply with equal force and effect to the Village of Mogadore Equal Employment Opportunity policy.

D. Americans with Disabilities Act

The Americans with Disabilities Act (ADA), 42 U.S.C. ** 12101 et seq. prohibits discrimination in hiring, promotions, transfers or any other benefits or privilege of employment of any qualified individual with a disability. To be considered a qualified individual, the employee must satisfy the required skills, experience, education, and other job-related requirements of the position held or desired and must be able to perform the essential functions of the position, with or without a reasonable accommodation. The Village shall reasonably accommodate a qualified employee with a disability unless the accommodation would pose an undue hardship to the Village. Decisions as to whether an accommodation is reasonable shall be made on a case-by-case basis. Employees who believe they are in need of a reasonable accommodation are responsible for making their supervisor aware of this need.

The "Complaints," "Retaliation," and "False Complaints" sections of the Village's Harassment Free Workplace policy, as set forth below, shall apply with equal force and effect to this ADA policy.

The Village shall not accommodate a full-time fire fighter's use of medical marijuana as part of an approved treatment for any qualifying conditions as defined in Section 3796.01 of the Ohio Revised Code.

J. Expense Reimbursement - Cost Standards

1. Transportation

- a. Travel by air, rail, or bus must be at the lowest and best available rate. Per the Ohio Ethics Commission Advisory Opinion No. 91-010 indicates that employees of a government should not accept, solicit, or use the authority or influence of their position to secure, for personal travel, a discounted or free "frequent flyer" airline ticket or other benefit from an airline if the ticket or other benefit was obtained from the purchase of airline tickets used for official Village travel. It is the policy of the Village of Mogadore that it prohibits the accumulation of "frequent flyer" miles by employees earned on official Village travel which is paid for or reimbursed by the Village or requires employees to use such miles earned for future official Village of Mogadore travel.
- b. Tickets for transportation should not be purchased/ordered until the Travel Expense Report has been approved. Tickets purchased without Travel Expense Report approval are the employee's risk. Employees may be reimbursed for fuel or repair expenses incurred while driving a Village vehicle. Receipts must be turned in with the Travel Expense Report.
 - e. Private vehicle: When using a private vehicle, the employee is reimbursed at the current IRS rate. Any gasoline, damages, needed service, or repairs to private vehicles are the responsibility of the employee, as these costs are included in the per-mile cost reimbursement. Mileage reimbursement is calculated from the work reporting location to the destination, not from the employee's home. The vehicle "shall be insured by the owner and the owner shall save and hold harmless the Village of Mogadore from any and all claims arising from such use. The limit on private vehicle mileage distance one way shall not exceed three hundred (300) miles unless otherwise approved by the Village of Mogadore. If an employee requests to drive when airfare is feasible, they will be reimbursed the amount which is the lesser of travel by air or private vehicle, not to - exceed mileage of three hundred (300) miles one way.
 - f. Rental cars are approved only when there are extenuating circumstances. Requests for rental cars must be on the Travel Expense Report with an explanation of why one is necessary.

 - c. A detailed original billing showing payment must be submitted with the Travel Expense Report. Telephone calls of a business nature must be identified for reimbursement.
 - d. Hotel reservations must be made in the name of The Village of Mogadore (on behalf of the employee) and paid with a village check. If this policy is not followed the Village of Mogadore will not reimburse the State sales tax.

3. Meals

In addition, each full-time employee shall be paid for a maximum of forty-eight (48) hours of personal leave at regular pay, to be taken any time through the year with the Fire Chief's approval. 20 + years	288 hours

Employees will receive their full allowance of vacation hours on their anniversary date of hire. Employees shall schedule vacations by seniority prior to March 1st of the year of entitlement. Only one full-time employee may be on vacation at a time. Any vacation time left unscheduled after March 1st shall be scheduled on a first come, first serve basis. Employees shall be permitted to carry over 96 hours of unused vacation each year.

Each employee who is entitled to 240 hours of vacation, may at the approval of the Chief, select to forego the taking of all but 96 hours of vacation and receive an amount commensurate with the vacation earned during this time. This compensation will be paid over pay periods in the year in which the vacation could have been taken by the employee. An employee wishing to select this option must give notice of intent to select the option to the Chief by no later than March 1st in the year the employee wishes to select the option.

Employees who terminate their employment with another political subdivision to take a full-time position with the Village of Mogadore Fire Department may, at the discretion of the Director of Public Service and Fire Chief, transfer any unused balance of vacation up to 144 hours from his or her previous position to the Village, pursuant to the applicable sections of the Ohio Revised Code. It is the employee's responsibility to furnish a written statement from the previous employer certifying the termination date and the total transferrable accumulated vacation balance upon termination.

C. Sick Leave

Full-time Employees shall earn sick leave at the rate of 4.6 hours per pay to a limit of one hundred twenty (120) hours per year. Each full calendar month of service shall be deemed a completed month of service.

Unused sick leave for regular full-time employees may be cumulative up to Two Thousand (2,000) Hours.

Employees absent from work on authorized holidays, sick leave, vacation leave, or on special leave of absence with pay, shall continue to accumulate sick leave at the rate prescribed in Section 1 above, except that the period of accumulation shall not exceed six (6) months.

An employee eligible for sick leave with pay may use sick leave for physician's appointments for said employee or an employee of the employee's immediate family, for absence due to personal illness, injury, exposure to contagious diseases which could be communicated to other employees, and illness or injury in the employee's immediate family.

Immediate family for purposes of Section 4 shall include spouse, children, or parents. Sick leave used for the employee's immediate family under Section 4, above shall not exceed more than ten (10) days per occurrence without the approval of the Chief.

When an employee is unable to work, they shall notify the immediate supervisor no later than one (1) hour before the time the employee is scheduled to report to work.

Proof of illness, or injury to substantiate a request for sick leave pay may be requested by the Chief or their designee after two (2) consecutive days of absence or, in the judgment of the Chief or their designee, such proof is necessary, due to a pattern of undocumented sick leave that suggests an abuse of the sick leave policy.

Sick leave shall be charged in minimum units of one (1) hour.

After conclusion of your first year, the following Sick Leave Bonuses will be made available effective the first pay period in January, based on an employee's attendance in the previous calendar year:

- 1) Taken no sick leave - 24 hours pay
- 2) Taken 8 hours or less sick leave - 12 hours pay

In accordance with the following paragraph, full-time employees, with ten (10) or more years of service with the Village, who retire, or are disabled from employment, will at the time of retirement or separation be paid in cash for any unused sick leave the employee may have accrued.

Participation the DROP Program does not constitute retirement under this Section.

The Employee will be paid for accrued sick leave, a cash sum not to exceed One Thousand Hours (1,000 hours). At the employer's discretion, the Employee may be paid on a bi-weekly basis for any sick leave the employee may have accrued.

Employees shall be permitted to participate in the Village of Mogadore Fire Department Sick Leave Donation Program, attached hereto as Exhibit C.

D. Military Duty

Full-time Employees shall be entitled to receive all benefits mandated by federal and/or state law for the military service they perform.

E. Injury Leave

In the event of a service-connected injury or illness incurred in the active discharge of duty, a full-time employee may receive full pay for a period of time not to exceed one hundred eighty (180) calendar days from the date of injury. The Employer may grant additional injury leave on a case-by-case basis for such additional period as the injury may warrant. Upon approval of the injury claim by Worker's Compensation, the employee shall pay to the Employer all income benefits paid by Worker's Compensation for the period during which the employee received full pay.

To apply for sick leave, written application shall be made to the Mayor, or his designee, accompanied by a certificate from a registered physician stating that such employee is unable to work and such disability is a result of or is connected with the duties of such employee. It shall be the duty of the Village to approve or reject the application, and in doing so, they may require an examination by a registered physician of their selection. Said examination shall be paid by the Village. Approval of such injury leave request shall not be unreasonably denied.

Before any employee, who has made application to the Village for sick leave, the employee shall first make application for Worker's Compensation benefits. The employee must also complete an Injury-On-Duty report and reimbursement agreement with the Employer as soon as possible following the injury.

In the event such Injury-On-Duty is disallowed by the Bureau of Worker's Compensation or the Industrial Commission of Ohio, the employee shall be charged with all-time lost from work against their accumulated sick leave, or at the employee's option, the benefits shall be repaid in cash, vacation leave, and/or any paid leave. If the employee does not have accumulated sick leave or accumulated vacation leave to cover all or part of the time off up to and including the date the claim is disallowed, then any monies paid to the employee by the Village under this Article, shall be repaid by the employee to the Employer under agreed upon and reasonable terms.

F. Leave of Absence

The Employer may grant temporary leave without pay for a period not to exceed sixty (60) days per calendar year upon request in writing of an employee and for good cause shown and such request will not be unreasonably denied.

An employee who is unable to work due to sickness, injury, or illness, who has exhausted all available leave shall be granted leave without pay for up to one (1) year if requested in writing. When an employee who has been granted leave is approved by the Mayor as being physically and mentally able to perform their duties, they shall be returned to their former rank and position with their seniority as of the date the leave was granted.

G. Court Time and Jury Duty

If it is necessary for an employee to appear in court during their scheduled time off, they shall be compensated for a minimum of two (2) hours and be paid time-and- half based on their base rate of pay, plus allowed mileage and parking fees if driving their own vehicle.

When an employee has received notice that they are required to "check in" on a daily basis for potential jury duty, then it becomes that members responsibility to notify their supervising officer by 5:00 p.m. the same day of receipt of notification of jury duty, as to whether they must report the next morning for jury duty. Should the need arise for a member to report to jury duty, then the supervising officer shall ensure that the reporting member will not be scheduled to work a shift within the same 24-hour period of completion of said jury duty.

H. Funeral Leave

Full-time employees shall be entitled to up to twenty four (24) hours paid funeral/bereavement leave to attend the funeral of any of the following individuals related to the employee: Employee's spouse, children, parents, grandparents, grandparents-in- law, grandchildren, siblings, mother-in-law, father-in-law, daughter-in-law, son-in-law, brother- in-law, sister-in-law, legal guardian, aunt, uncle, or a person who is the legal responsibility of the Employee (i.e. a foster child). This definition also includes adopted children, stepchildren, and stepparents.

Employees attending the funeral or said named individuals, when the funeral is more than one hundred (100) miles from Summit County, shall be entitled to up to 48 hours paid days of funeral leave

I. Paternal Leave

Full-time employees may be entitled to up to twelve (12) weeks of parental leave for the care of a child, to be taken in one increment at any time within 1 year after the birth or adoption of the employee's child.

In the first six (6) weeks of the parental leave, the employee shall exhaust all accrued vacation time, compensatory time, sick leave time and/or personal time. Upon the exhaustion of all such paid leave, the employee may be entitled to two (2) weeks of paid leave so long as the total paid leave does not extend beyond the six (6) weeks.

Upon the expiration of the paid two (2) week leave, the employee may use any remaining time as afforded under the Family Medical Leave Act, which will result in six (6) weeks or more of the twelve (12) weeks leave will be unpaid leave.

Upon return to service following parental leave, the Village will reinstate the employee to his full former position which includes but is not limited to any benefits that may have been accrued in the interim. The employee shall continue to accrue seniority while on parental leave.

V. HARASSMENT FREE WORKPLACE

It is the policy of the Village to provide its employees with an environment free of discrimination, including sexual and other unlawful harassment or bullying. Harassment interferes with the well-being and productivity of employees and the efficiency of the Village, negatively affecting morale, motivation and job performance. The Village is committed to eliminating this inappropriate behavior and has established the following policy.

A. Harassment/Bullying

Harassment is any unwelcome conduct, whether verbal, physical, or visual, that is based upon a person's sex, color, race, ancestry, religion, national origin, age, disability, military status, or other protected group status. It also includes, but is not limited to, conduct that demeans or shows hostility or aversion toward an individual because of his status and/or relatives or associates.

Offensive and unwelcome sexual behavior has no place in the work environment. Unwelcome sexual comments, gestures, and jokes are prohibited. Prohibited conduct also includes, but is not limited to, suggestions, leering, pats, squeezes, or other similar contact, posting of sexual pictures, cartoons, photos, or other graphics in the workplace or on personal clothing. Sexual harassment is a violation of Federal and State laws.

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- a. Submission to such conduct is made either explicitly or implicitly as a term or condition of employment;
- b. Submission to or rejection of such conduct by an individual is used as a basis for employment;
- c. Such conduct has the purpose or effect of substantially interfering with work performance or creating an intimidating, hostile, or offensive working environment.

- d. Bullying is defined as “Any actual or threatened physical, verbal or nonverbal abuse occurring either inside or outside of the organization that can create an internal atmosphere where administration or management believes the reasonable person in the community would feel intimidated or threatened to the point they would not be able to function properly”.
- e. Both harassment and bullying are destructive to the Village. Therefore, it is everyone’s responsibility to ensure that such disruptive behavior is addressed when it occurs.

B. Complaints

An employee, who is involved in, observes or experiences harassment of any kind by a fellow employee, supervisor, or other individual otherwise affiliated with the Village including delivery persons or vendors is encouraged to inform the alleged harasser of the unwelcome or offensive conduct. The employee must also immediately report the harassment to his supervisor or the Mayor. The incident will be investigated, which may include private interviews with the complainant, the alleged harasser and any and all witnesses. Information will be kept as confidential as possible. All employees are required to cooperate in any investigation of a harassment complaint. When the investigation determines that this policy has been violated, prompt attention and disciplinary action designed to stop the harassment and prevent its recurrence will be taken. This may include discipline up to and including discharge of any person whose conduct is in violation of this policy. Any employee who has knowledge of harassing conduct, and who allows the conduct to go un-addressed, may also be subjected to disciplinary action.

Late reporting of complaints will not, in and of itself, preclude the Village from taking remedial action. However, so that a thorough and accurate investigation may be conducted, employees are encouraged to report complaints promptly.

C. Retaliation

Retaliation against an individual for filing a complaint, reporting harassment or bullying participating in an investigation is in violation of this policy. Any employee who believes that he has been subjected to retaliatory conduct as a result of actions taken under this policy must report such conduct to his supervisor or the Mayor. Any person found to have retaliated against an individual for engaging in activity protected by this policy, will be subject to disciplinary action up to and including discharge.

D. False Complaints

Although legitimate complaints made in good faith are strongly encouraged, false complaints made in bad faith will not be tolerated. Failure to prove a violation of this policy will not constitute a false complaint without further evidence of bad faith. False complaints are considered a violation of this policy and an employee who intentionally makes a false complaint will be subject to disciplinary action.

VI. DISCIPLINARY ACTION

A. Employee Rights

An employee has the right to the presence and advice of a representative or at all disciplinary hearings and/or disciplinary interrogations.

An employee who is to be questioned as a suspect in any investigation of any criminal charge against them shall be advised of their constitutional rights before any questioning starts.

Before an employee may be charged with any violation of the Rules and Regulations for a refusal to answer questions or participate in an investigation, they shall be advised that their refusal to answer such questions or participate in such investigation will be the basis of such a charge.

Questioning or interviews of an employee during an internal investigation will be conducted at hours reasonably related to the employee's shift unless operational necessities require otherwise. Interrogation sessions shall be for reasonable periods of time and time shall be provided for rest periods and attendance to physical necessities.

An employee will be informed of the nature of any investigation of himself prior to any questioning. If the employee being questioned is, at that time, a witness and not under investigation, they shall so be advised.

With respect to investigations which may result in criminal charges, a formal charge of misconduct shall be prepared in writing stating the matters which are under investigation and the charges which are being considered. If, during an investigation this is determined, the final written notice will be prepared and delivered to the employee.

During an internal affairs investigation, a polygraph examination will be administered only with the consent of the employee under investigation. If, during an internal investigation, the employee has been given a polygraph examination, such examination shall not be used in any subsequent court action without prior written agreement of the parties.

All complaints by civilians which may involve discipline of an employee shall be in writing and signed by the complainant. The Employer shall furnish a copy of the complaint to the employee whom the complaint has been filed against when such employee is notified of the investigation.

Upon completion of the investigation of any complaint, the file containing said complaint shall be stamped with one of the following designations:

"Unsubstantiated-No Disciplinary Action Taken" "Substantiated-Disciplinary Action Taken"
"Substantiated-No Disciplinary Action Taken"

1. Rights

- a. No non-probationary full-time firefighter shall be reduced in pay or position, suspended, removed or reprimanded except for just cause.
- b. The Employee who is being disciplined shall receive a copy of all disciplinary notices immediately upon issuance through the mailbox and via the employee's email address on file.
- c. The Chief shall conduct an interview concerning any discipline issued with the individual who is the subject of the discipline, upon the request of that individual

2. Departmental Hearings

- a. Prior to any departmental hearing of a full-time firefighter, he will receive from the Fire Chief or his designee, a written statement of all charges and specifications. At the hearing, the full-time firefighter who is the charged party will be allowed to be represented and will be allowed to call witnesses material to his defense. The charged party shall have the opportunity to confront and cross-examine his accuser. For any alleged offense for which suspension or dismissal is contemplated, the part-time firefighter has the right to a hearing with representation.
- b. The charged party or his representative may make a written request for a continuance. Such request will be granted where practical. The length of such continuance shall be mutually agreed upon whenever possible.
- c. The Village will make all good faith efforts to notify the charged party of any charges or of any decision reached as a result of a departmental hearing prior to any public statement.

3. Progressive Action

Where appropriate and subject to the discretion of the Village, the principles of progressive disciplinary action will be followed. The progression will at least include: 1) a documented oral reprimand; 2) then a written reprimand; 3) then a demotion and/or a suspension for the same or related offense, prior to a dismissal.

Should the Employer determine to invoke summary discharge, the burden of proof will be on it to show with clear and convincing evidence that the seriousness of the offense outweighed the obligation to apply the provisions of the above discipline procedure.

4. Duration of Records

All actions, except documented oral reprimands (written reprimands, suspensions or dismissal) will be maintained in each bargaining unit employee's personnel file throughout their period of employment with the exception that any record of written reprimands will be removed from their file upon the written request of the employee, two (2) years after such reprimand was given if no further disciplinary action has occurred. Written reprimands so removed from a personnel file shall be given to the part-time firefighter along with their letter of request for such removal. In any case in which a written reprimand, suspension, or dismissal is disaffirmed through the grievance procedures or by a court of competent jurisdiction, the personnel records shall clearly indicate such disaffirmance. In addition, unsubstantiated or unproven allegations or complaints of misconduct made against a part time firefighter and appearing in the department files shall not be considered in future disciplinary action or promotional considerations and shall not be shared outside the department.

VII. DRUG FREE WORKPLACE

The Employer and the employees recognize their obligation to provide a safe and efficient workplace and service to the public. Substance abuse poses a direct threat to the public safety and welfare and to the employees of the Fire Department. The goal of this program is, therefore, to provide Fire Department employees who are free from the effects of drugs to ensure the safety to the public as well as the safety of employees.

Public trust and confidence in the integrity of the Fire Department is also threatened by suspicion of employee drug use. Finally, employee drug use impacts potential departmental civil liability. This drug-screening program ideally will serve to detect and deter prohibited drug use by firefighters and thereby ensure the integrity of the Fire Department and preserve public trust.

With these objectives in mind, the following policy and procedures on drug abuse have been established.

1. Legal Drugs

Employees shall not use any legal drug to the extent that said drug may adversely affect the employee's safety or job performance or the safety of others. It is the responsibility of the employee to ensure that they do not violate this requirement. Employees should inform their physicians of their participation in a drug testing program so the physician can adjust medications that will not interfere with their job.

2. Illegal Drugs

The illegal possession, sale purchase or use of any controlled substance is prohibited whether on or off duty. Employees shall not report to work or be on duty with an illegal drug traceable in their systems.

A. Definitions

For purposes of this drug screening policy, the following terms shall have the following meanings:

1. "Illegal drug" means any controlled substance as defined in Ohio Revised Code Section including, but not limited to, Section 3719.01(D), the possession or sale of which is prohibited by law.
2. "Illegal drug usage" includes the use of cannabis or any other controlled substance, which has not been legally prescribed and/or dispensed, or the abusive use of a legally prescribed drug.
3. "Legal drug" means any substance the possession or sale of which is not prohibited by law, including prescription drugs and over-the-counter drugs.
4. "Third Party Administrator" means the facility mutually approved by the Employer and the OPBA, which may change from time to time, which collects, screens and/or stores urine samples.
5. "Medical Review Officer" (MRO) means the physician approved by the Employer, whose primary responsibility is to review and interpret positive test results obtained through this drug screening program.
6. "Employment related accident" means any accident that occurs in the course of, or within the scope of, employment, regardless of whether the employee is physically located on Employer's premises at the time of the accident, and where the accident results in property damage exceeding five hundred dollars (\$500.00) in value or an injury requiring more than first aid treatment.
7. "Reasonable suspicion" means objective facts or specific circumstances found to exist, including inferences from those facts and circumstances, which present a reasonable basis to believe an employee is using or abusing illegal drugs.

8. "Substance abuse" means a positive screen result indicating the existence of a drug at or above the levels prescribed by the Employer and set for in Section IV(C) of this Article.
9. "Traceable in the employee's system" means that the result of the Third-Party Administrator's analysis of the employee's urine specimen is positive for the tested substance pursuant to the standards set forth in Section IV (C) of this Article.

B. Procedures

1. When Screening May Occur

Employees may be tested for employment-related illegal drug usage under any of the following conditions:

- a) Whenever an employee's behavior creates a reasonable suspicion of drug use.

The following is a non-exclusive list of factors which may give rise to reasonable suspicion of substance abuse. Any factor alone, or in combination with other factors may be sufficient to constitute reasonable suspicion.

- Direct observation of drug use.
- Possession of drugs or related paraphernalia.
- Employee admissions of drug use or possession.
- Symptoms of drug use including, but not limited to, disturbances in gait, slurred speech, impaired gross or fine motor control.
- Any tampering with the drug screening process.
- Any arrest for any drug-related criminal offense, or the filing of any drug-related criminal charge against the employee.

The following factors must be used in combination with other factors and cannot by themselves serve to constitute reasonable suspicion.

- Attendance problems, including absenteeism, tardiness, or unusual use of sick leave.
 - Excessive or repetitive vehicular equipment or other workplace accidents.
- b) Whenever an employee is involved in a motor vehicle accident resulting in personal injury or property damage.

Any Employee involved in an employment-related accident MAY be subject to screening. The Chief or their designee will determine whether screening is appropriate with due regard to the nature of the accident and medical treatment involved. Should screening be deemed appropriate, such screening will take place *immediately*.

Treatment of Worker's Compensation Claims After a Positive Drug/Alcohol Test.

Ohio Revised Code Sections 4123.35 and 4123.54 have been amended to create a rebuttable presumption that an employee who tests positive for alcohol or drugs after all injury is not eligible for worker's compensation benefits. The new law, effective October 13, 2014, allows for the complete rejection or denial of a claim based upon scientific evidence of the employee's recent use of drugs or alcohol. Under this new legislation, an employee who is shown to have recently used a controlled substance or alcohol (by positive drug or alcohol test) now has the burden of proof and must establish that their industrial injury was not caused by the influence of drugs or alcohol in order for their claim to be allowed. The presumption also arises when the employee refuses to submit to a test. For the purpose of the rebuttable presumption law, a positive alcohol test will be .080 alcohol concentration or greater. Other alcohol levels stated in this policy still apply.

- i. Whenever an employee returns to duty after an absence of thirty (30) calendar days or more resulting from a medical leave or a disciplinary suspension.
- ii. Whenever an employee is certified from a promotional eligibility list. All promotions will be contingent upon a negative test result.

- iii. When randomly selected. All employees shall be subject to random drug screening. All employees will be assigned a confidential identification number. The identification number of all employees will be entered into a computer. Once each calendar month the computer will select of the entered identification numbers. A list of the selected identification numbers is then forwarded to the Chief, or Acting Chief matches the list of selected numbers against a master list. The selected employees will then be screened within five (5) calendar days. Notification of screening will be withheld from the selected employee until the day of screening so that the screening will not be compromised. Any selected employee who is on an approved leave status during the current screening process will automatically be tested in the next random screening.

C. Decision to Screen for Cause

A supervisor who has a reasonable suspicion of employee substance abuse will immediately relieve the employee from their duties and will immediately notify the Chief, or an Assistant Chief, of the reasons they suspect substance abuse. Under no circumstances will such employee be permitted to operate a motor vehicle, equipment, firearms, or other machinery, the supervisor shall, before the end of the shift, complete and sign an "observation checklist" setting forth the facts upon which such supervisor relied. The Chief or Assistant Chief will determine whether sufficient suspicion exists to warrant screening, and the determination will be based only upon reliable information as set forth in Section VI, Drug Free Workplace.

If the Chief determines that an employee must participate in the screening, it will be considered a direct order.

The Chief or the employee's supervisor will then telephone the Third-Party Administrator to notify it that an employee is being transported for testing.

A supervisor will transport the employee to be screened directly to the Medical Provider, and the employee will remain under observation to ensure the integrity of the screening process.

The supervisor will provide the employee transportation home after the screening process. The employee will remain on leave with pay until the test results are reported to the Chief. If the test results are negative, the Chief, Assistant Chief, or the employee's supervisor will inform the employee of the date the employee is to resume work.

D. Screening Process

1. Sample Collection

Specimen collection will occur in a medical setting, or another mutually agreed to location in compliance with SAMHSA Standards. The procedures should not demean, embarrass, or cause physical discomfort to the employee.

Each step in the collecting and processing of the urine specimens shall be documented to establish procedural integrity and the chain of evidence.

The employee designated to give a sample must be positively identified with photo identification or fingerprint prior to any sample being taken.

The Third-Party Administrator will furnish urine sample containers pre-labeled with the employee's identification number, date, and time of collection. After collection, the sample will be split into two containers and will be sealed, the Chain of Custody form will be completed, and the employee will be asked to confirm the information contained on the sample container and the Chain of Custody form by signing the Chain of Custody form.

E. Testing Methodology

The Medical Provider selected by the Employer to conduct the analysis must be experienced and capable of quality control, documentation, chain of custody, technical expertise, and demonstrated proficiency in urinalysis testing. The testing or processing phase shall consist of a two-step procedure.

- I. Initial screening step, and
- II. Confirmation step

The urine sample is first tested using a screening procedure. A specimen-testing positive will undergo a confirmatory gas chromatography/mass spectrometry (gc/ms) test. An initial positive report will not be considered positive, rather it will be classified as confirmation pending. Where a positive report is received, urine specimens shall be maintained under secured storage for a period of not less than one (1) year. Any sample, which has been adulterated or is shown to be a substance other than urine shall be reported as such. All test results shall be evaluated by suitable trained medical or scientific personnel prior to being reported to the Medical Review Officer. All test results shall be treated with the same confidentiality as other employee medical records and will be disclosed only to those administrative personnel involved in the screening or disciplinary process.

F. Screening Standards

The Employer in consultation with the Third-Party Administrator have determined the type of screening to be used. The only substances to be tested for, and the threshold substance levels that shall be considered a positive test result are as follows:

Drug	Initial Screening Level	Confirmation Level
Amphetamines	1000 ng/ml	500ng/ml
Methamphetamine	300 ng/ml	300ng/ml
Barbiturates	300 ng/ml	500ng/ml
Benzodiazepines	300 ng/ml	500 ng/ml
Cannabinoids	50 ng/ml	15 ng/ml
Cocaine Metabolite	300 ng/ml	150 ng/ml
Methadone	300 ng/ml	300 ng/ml
Methaqualone	*300 ng/ml	300 ng/ml
*25 ng/ml if immunoassay (specific for free morphine)		
Phencyclidine (PCP)	25 ng/ml	25 ng/ml
Propoxyphene	300 ng/ml	300 ng/ml

Should SAMHSA add to or delete from the current panel of controlled substances or alter the initial screening or confirmation levels, this program will be modified to conform to SAMHSA standards. Employees will be notified, in writing, of such changes.

G. Screen Results

1. Negative Results

If the screen results are negative, the results will be reported in writing to the Medical Review Officer and the sample will be discarded.

2. Positive Results

If the results of the first screen are positive, the laboratory will conduct a Confirmation test using GC/MS (Gas Chromatography/Mass Spectroscopy).

The Third-Party Administrator will report the confirmation screen results, whether positive or negative to the Medical Review Officer. Any adulterated sample, or samples otherwise tampered with, may be treated for disciplinary purposes as a positive result. If the confirmation screen results are positive, employees shall be disciplined with the possibility of being discharged.

H. Role of Medical Review Officer

The Medical Review Officer (MRO) is a physician knowledgeable in the medical use of prescription drugs and the pharmacology and toxicology of illicit drugs. The MRO's primary responsibility is to review and interpret positive test results obtained through the DSP. In fulfilling these responsibilities, the MRO is to be guided by the U.S. Department of Health and Human Services (DHHS) Mandatory Guidelines.

If any question arises as to the accuracy or validity of a positive test result, the MRO should in collaboration with the laboratory director and consultants, review the laboratory records to determine whether the required procedures were followed, the MRO then makes a determination as to whether the result is scientifically sufficient to take further action. If records from collection sites or laboratories raise doubts about the handling of samples, the MRO may deem the urinary evidence insufficient and no further actions relative to individual employees would occur.

The MRO must also assess and determine whether alternate medical explanations could account for any positive test result. In reviewing the laboratory results, the MRO may conduct a medical interview with the employee, review the employee's medical history, or review any other relevant biomedical factors. The MRO shall also review any information provided by an employee attempting to show legitimate use of a drug. The MRO may suggest that the employee have the split specimen from the original collection tested at another SAMHSA laboratory. This is at the employee's own expense.

The MRO must ultimately determine whether some reason other than illegal drug use explains a drug-positive urine. If the MRO verifies illegal drug use, the information related to the use of illegal drugs will be disclosed to the Chief. Any medical information provided to the MRO that is not specifically related to use of illegal drugs will be treated as confidential and not disclosed. If it is determined with reasonable certainty that there is a legitimate medical or other reason to account for the positive laboratory findings, no information identifying the specific employee will be disclosed and the test results will be reported as negative.

I. Disciplinary Action and Appeal

1. Disciplinary action against an employee abuse shall occur only after a departmental investigation in which the employee is informed of the evidence against them and has had an opportunity to respond.
2. Employees, who because of being drug tested are found to be using illegal drugs, shall be subject to dismissal. Refusal to submit to a drug test, or adulteration of, or switching a urine sample shall be grounds for dismissal.
3. Employees may appeal any formal disciplinary action to the Mayor.

J. Third-Party Administrator

The Third-Party Administrator for collection of samples referenced to above is IEBT Mobile Drug and Alcohol, 1685 Southeast Avenue, Tallmadge, OH 44278. The Medical Provider of laboratory services in connection with urinalysis testing is Dr. Stephen Kracht, 7500 West 110th St., Ste 400A, P.O. Box 25903, Overland Park, KS 66225. In the event IEBT is unavailable or unable to assist in the collection and/or submission of the test results for analysis, OMEGA Laboratories 400 North Cleveland Avenue, Mogadore, OH 44260 will be used.

K. Notice of Education of Employees Regarding Testing

1. All employees will be informed of the Employer's drug testing policy. Employees will be provided with information concerning the impact of the use of drugs on job performance, the manner in which these drug tests are conducted, the reliability of the tests performed, under what circumstances employees will be subject to testing, what the tests can determine, the types of substances to be screened, and the new employees will be provided with this information when initially hired. No employee shall be tested until this information has been provided.

2. There will be a 90-day information distribution period prior to the implementation of testing under this policy for employees.

L. Probationary Employee Drug Testing

All newly hired probationary employees shall be required and a condition of employment to participate in any unannounced mass/mandatory drug tests scheduled during the probationary period.

M. Participation in a Treatment Program

Employees who may be drug dependent are encouraged to voluntarily seek professional assistance through a treatment program supervised by the Employee Assistant Program. Any self-referral will be kept confidential to the extent provided by the EAP's policies and procedures. Voluntary assistance should be sought BEFORE the drug abuse affects job performance or endangers fellow employees or employees of the public.

Although rehabilitation is one of the principal mechanisms relied upon to reach the goal of this program, rehabilitation is considered only secondary to the primary goal of ensuring safety. The Chief will, therefore, recommend referral to EAP only when the circumstances of any employee's case indicate that treatment will be both therapeutic, and a reasonable alternative to facilitating the goal of this program. If the Chief, refers an employee to the EAP, such supervisory referral will be considered a direct order. Supervisory referrals will be kept confidential to the extent provided in This Program, and in the EAP's policies and procedures, except that the EAP will submit a written report to the Chief when an employee successfully completes the EAP, refuses to participate in the EAP, or withdraws from the EAP before successful completion of the program.

The Employer's EAP is separated and distinct from the Fire Department and this Drug Screen Program, and therefore, any referral or treatment, is subject to the EAP's own policies and procedures.
